### 24-hour traffic controls at Dead Horse Summit, State Route 89

**REDDING** – The California Department of Transportation (Caltrans) District 2 will begin 24-hour traffic control on State Route 89, just north of the Shasta/Siskiyou county line at Dead Horse Summit. Pilot cars and flaggers will perform one-way traffic control beginning Monday, August 4 at 8:00 a.m. through Friday, August 29 at 6:00 p.m. Motorists should expect 15-minute delays. Caltrans asks drivers to use caution due to unpaved surfaces and to be alert for crews and equipment through the work zone.

The \$2.5 million curve realignment project that began in June is scheduled for completion by mid-September.
